City of San Antonio

State of Texas

hereby presents

Official Congratulations

in recognition of the 80th Anniversary of

Planned Parenthood

South Texas

Founded in 1939, these health care centers operate in San Antonio, Harlingen and Brownsville, and have been providing and protecting the health care and information people need to plan their families and their futures. Their dedication to being the leading provider of reproductive health care in South Texas has not gone unnoticed and is truly worthy of commendation.

The City Council of the City of San Antonio join you in celebrating this milestone occasion, and offer best wishes for many more years of success. ***Happy 80th Anniversary!***

Presented this 19th day of September 2019.
