

The Mission of Planned Parenthood of Delaware is to ensure the right of all individuals to access appropriate information and the services necessary to make and act on personal decisions related to their own reproduction and health.

Help Us To Help Others

Your gift will go towards ensuring that we continue to be a place for women, men and teens to receive caring, compassionate and high quality reproductive services.

Please make your donation at checkout.

Protect Reproductive Freedom

Join the Planned Parenthood Action Network. Call 302-655-7296, ext. 20.

Learn About Sex, And More

Have sexuality questions that you are afraid to ask or be asked? Call our Education and Training Department at (302) 224-8099 and learn more about Individual Consultations.

Why choose us?

- We have a good relationship with Christiana Care and with Bayhealth for referrals when patients need hospital care
- We have a Medical Director who is a board certified OB/GYN
- Walk-ins and same day service are widely available
- Many private physicians refer their patients to us for IUD and Implanon insertions
- We provide prenatal services with delivery at Christiana Care Hospital

Medical Care

Medical Services

Why visit a Planned Parenthood of Delaware Center?

- 1. Low Cost** – Our fees are based on your income
- 2. Confidentiality** – Your privacy is always assured
- 3. Insurance** – We accept Medicaid and private insurance

Our medical staff are experts on sexual and reproductive health care; we offer high quality, confidential medical services.

We accept private insurance plans, Medicaid and Screening for Life.

We offer affordable services on a sliding scale for patients without insurance.

We embrace diversity—we welcome clients regardless of race, ethnicity, sex, age, sexual orientation, disability or income level.

We care about you.

What services do we provide?

Planned Parenthood offers health care services for women, men and teens at four locations throughout Delaware.

**Wilmington
Newark
Dover
Rehoboth**

- Annual GYN check-ups
- HPV vaccine to prevent warts and cervical cancer
- Testing and treatment for sexually transmitted infections (STIs), including the rapid test for HIV
- Birth control – pills, patches, ring, injections, implants, IUD, diaphragm, condoms
- Emergency contraception (morning after pill)
- Pregnancy tests and information on all pregnancy options
- Prenatal care
- Biopsy of uterus for abnormal bleeding
- Colposcopy - advanced diagnosis and early treatment for cervical abnormalities
- Treatment for pre-cancerous lesions (LEEP) – freezing or removal
- Abortion services - abortion pill and in-clinic abortion; Wilmington and Dover only

Better Beginnings

Wilmington - Newark

Looking for prenatal care services from beginning to birth? Our doctors, nurse practitioners and certified nurse midwives work with doctors from the Christiana Care Health System to provide you with the best possible care.

Together with Christiana Care, we provide:

- Prenatal Education & Counseling
- Clinical Services
- Postpartum Care

Fees are determined during your first prenatal visit. We do accept Medicaid.

What you may not know:

We diagnose and treat men and women for sexually transmitted infections. Be safe, and bring your partner.

We offer the abortion pill up to 9 weeks, and in-clinic abortions up to 13.6 weeks. Sedation is available by pill, injection or IV, if desired. Unlike other clinics, we have medical personnel on call 24/7.
