Attention Parents and Caregivers of School-age Youth

You are invited to a free workshop!

Harrison Park Elementary School is excited to host the
***Talk Early & Talk Often* (TETO) parent workshop!**

What is *Talk Early & Talk Often*?

TETO is a nationally recognized parent workshop aimed at helping parents of school-aged youth talk with their children about abstinence and sexuality. The workshop helps parents recognize and use opportunities to open the door for conversation, listen and respond with greater confidence and skill and to feel comfortable seeking outside sources of information. This workshop is for parents/guardians, not children.

Talk Early & Talk Often started in 2005 as a state sponsored initiative. It was developed with support from several state agencies working in the area of teen pregnancy prevention. Since its roll out in 2005, *Talk Early & Talk Often* has received high praise from parents.

Date: Thursday, May 7, 2015

Time: 5:15-7:30pm (food will be provided for participants)

It's never too late to improve a relationship with a child or a teenager. Don't underestimate the great need that children feel – at all ages – for close relationships with their parents and for their parents' guidance, approval, and support.
