

Thank you.

 **Planned Parenthood**[®]
of Maryland, Inc.

2008-2009 Annual Report

Thank you.

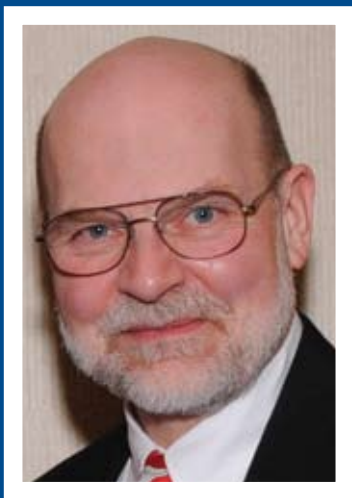

We can't say it enough.

Because of you, Planned Parenthood has kept Maryland informed and protected for over 81 years. Your support this year helped even more women and men plan their families.

Through our educators, clinicians and advocacy staff, you were in classrooms, clinics, and the legislature advocating for reproductive rights.

It's our pleasure to present our 2008-2009 Annual Report highlighting *your* accomplishments. Take a look at what you have done for Maryland. Be proud.

John W. Nugent
President & CEO

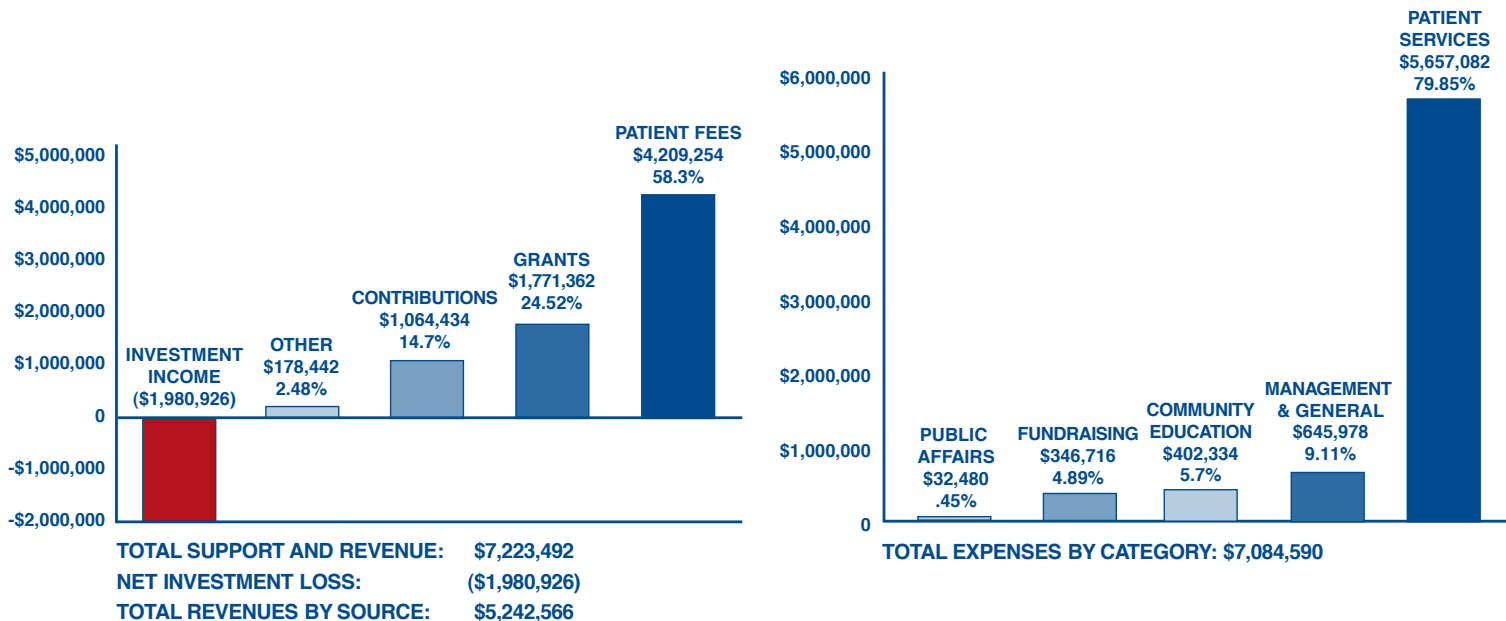

Julia Nickles Bryan
Board Chair

BOLD. FEARLESS. RELENTLESS. THAT'S YOUR PLANNED PARENTHOOD.

Consolidated Financial Statements

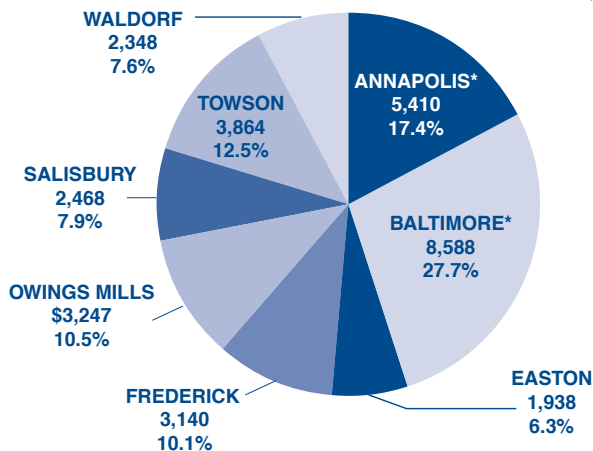

Programs and Services

- Birth Control Methods
- HIV Testing
- STD Testing and Treatment

PATIENTS VISITS BY LOCATION / TOTAL: 31,003

PATIENTS SERVED BY AGE / TOTAL: 20,642

Planned Parenthood of Maryland does more than any other organization to prevent unintended pregnancies – over 85% of our services are preventive reproductive health care and education.

Documents and information submitted to the State of Maryland under the Maryland Charitable Solicitations Act are available from the Office of Secretary of State for the cost of copying and postage. Registration with the State of Maryland does not imply endorsement of any solicitation by the Secretary of State.

EXCEPTIONAL HEALTH CARE

With your support, we:

- Increased patient visits by 25 percent over 3 years.
- Expanded a centralized Spanish/English Call Center, improving service for patients over the phone and in exam rooms.
- Joined the Maryland *Babies Born Healthy* initiative, a program to decrease low birth weight and poor birth outcomes among African American women in Baltimore City.

HONEST EDUCATION

Because of you, we:

- Educated over 8,000 people through 390 single-session programs and over 2,500 people at community health fairs and festivals.
- Were awarded the “Program of the Year” by the Caroline County Human Services Council for our Teenage Pregnancy Prevention Program.
- Trained over 1,000 youth-serving professionals at 68 trainings across the state.
- Co-sponsored two trainings with the Arc of Baltimore and Baltimore County Public Schools attended by over 150 teachers and other human service professionals working with people with disabilities.
- Conducted the 8th annual Teen Peer Education Training, graduating 14 Peer Educators who conducted nine *Teen Talks* for other teens, provided 86 one-on-one education sessions during our *Teen Thursday* walk-in clinic, and partnered with New Lens to create the video “Healthy Relationships Begin With You.”

I absolutely love the contraception program and so do my students. Not to mention they really need this information and your program gives it the best!

– Jennifer L. Barrett,
Health Teacher/ Senior
Class Advisor, Kenwood
High School

Tiffany and Sean are proud to be teen Peer Educators!

Presenting the 2009 Class of Peer Educators

FEARLESS ADVOCACY

Together we took on Annapolis and:

- Defeated Senate Bill 195, which would have required abortion providers to force ultrasound viewings upon patients, inserting politics into the dialogue between a woman and her health care provider.
- Opposed House Bill 925, which would have granted legal rights to fertilized eggs, a clear attempt to criminalize abortion in Maryland. The bill was tabled with the close of the legislative session.
- Lobbied on behalf of the Baltimore City *Babies Born Healthy* initiative with the help of 20 volunteers and staff members.

DEDICATED VOLUNTEERS

You made a tremendous difference in day-to-day operations:

- 25 Board Members and 39 volunteers helped with outreach at community events, teaching contraception classes in public schools, internships, and our teen Peer Education program.
- 73 volunteers assisted in fundraising and public affairs by planning events, writing and calling supporters, soliciting donations, and lobbying in Annapolis.
- PPM held two major volunteer-driven community events with nearly 400 people in attendance, including the 2nd Annual William G. Robertson, Jr., Volunteer Award Luncheon, where we honored Laurie Schwab Zabin, Ph.D., for years of support and dedicated volunteer service, and the 4th annual spring fundraiser, *Celebrate Our Right to Shoes*.

MISSION

The Mission of Planned Parenthood of Maryland is to enable all Marylanders to have access to a wide range of high quality affordable reproductive health care services. By providing medical services, education, training and advocacy, PPM seeks to help individuals make informed decisions about their reproductive health, family planning options and sexuality.
