***The Hurried Child: Growing Up Too Fast Too Soon*** David Elkind. Addison Wesley. 1988. 3<sup>rd</sup> edition 2001. 2007.

Some parents have pushed their children emotionally and intellectually too far, too fast. Today's parents think of their kids as Superkids, so competent and mature that they need adults very little. Having a competent Superkid relieves these parents of guilt, but it places too much stress on the children themselves. This new editions includes sections on peer-group parent pressure.

***Period.: A Girl's Guide to Menstruation With a Parent's Guide*** Joann Loulan, Bonnie Worthen, Chris Wold Dyrud, Marcia Quackenbush. New Glide. 4<sup>th</sup> edition 2001. Ages 9-12.

Thoroughly covers questions about puberty and menstruation. The authors emphasize the positive and use diagrams to familiarize readers with the inner working of their bodies, including what happens during menstruation. A question-and-answer format in the last three chapters allows girls to locate easily the information they seek. A parent's guide bound into the back suggests how to begin a conversation about puberty.

***The Underground Guide to Teenage Sexuality: An Essential Handbook For Today's Teens and Parents*** Michael J. Basso. Fairview Press. 1997. 2<sup>nd</sup> edition 2003. Ages 12+.

Current, accurate, objective information about sexuality so teenagers can understand the changes occurring in their bodies and make informed decisions about sexual activity. Basso, an experienced sex educator, discusses anatomy and physiology, sexually transmitted diseases, pregnancy, birth control, abortion, and sexuality in terms that teenagers comprehend. He is nonjudgmental, and encourages readers to think about all aspects of the issues and make decisions that are comfortable for them while telling teenagers that they must be prepared to protect themselves and accept responsibility for the consequences of their actions.

## **Human Sexuality: Books for Children**

***Daddy's Roommate*** Michael Willhoite. Alyson Publications. 1990. 2000. Ages: Preschool-Grade 2.

A book about a child with homosexual parents, told in a straight forward manner. The tone throughout the book is positive, and the boy has healthy, affectionate bonds with the adults in his life. The message is that alternative lifestyles are as nurturing as mainstream ones. It could be useful for children in similar situations or for helping those from heterosexual families to better understand differences.

***It's So Amazing! / : A Book about Eggs, Sperm, Birth, Babies, and Families*** Robie H. Harris., Candlewick Press. 1<sup>st</sup> edition 1999. 2002. Ages 4-8.

This oversized, attractive guide on reproductive and birth answers common questions such as "Exactly what is sex?" and "Where does the baby actually come out?" Harris uses many different ways to portray situations not always easy to explain to children. People are represented with a variety of body shapes and ethnicity, and Harris discusses sexual preferences and alternative family situations. Factual information is effectively present in a clear, nonjudgmental tone that will inform and assure readers.

- Ann Arbor District Library: Downtown, Traverwood, West.

- Ypsilanti District Library: Whittaker Rd.

***What's The Big Secret? talking about sex with boys and girls*** Laurie Krasny Brown, Marc Brown. 1997. Ages: Preschool-Grade 3.

This information will be most useful as a bridge between books meant for preschoolers describing birth and those that tackle the process of maturation, sexuality, and the responsibilities and choices that come with growing up. Also helpful in promoting a dialogue between caregivers and children, especially if read together.

- Ann Arbor District Library: Pittsfield
