

**JOB DESCRIPTION**

---

**Position Title:** Certified Registered Nurse Practitioner  
**Department:** Health Center Operations  
**Reports to:** Director of Center Operations  
**Location:** Warminster  
**Status:** Per Diem/As Needed

---

Planned Parenthood Association of Bucks County is looking for those interested in per diem clinician work at any of our five health centers (Bensalem, Bristol, Doylestown, Quakertown or Warminster).

**Duties and Responsibilities:**

- The CRNP works as a member of a team to ensure high quality care.
- The CRNP will be responsible for the provision of reproductive health care and performance and supervision of medical aspects of patient care in accordance with PPABC Standing Orders, policies and procedures.
- S/he takes and/or reviews and interprets a complete health history, including obstetric, gynecologic, sexual, contraceptive, medical, surgical, family and psycho-social history and records findings accurately, legibly, and succinctly.
- Performs physical examinations including heart and lung assessment, thyroid, abdominal, breast, pelvic and genital examination with special emphasis on the reproductive system and appropriate screening procedures.
- Interprets findings of examination and records same. Cardiopulmonary resuscitation certification needed.

Additionally, s/he must be able to promote Planned Parenthood's mission and goals in the medical office and with contacts especially regarding women's rights, reproductive rights (including but not limited to abortion rights) and affordable health care. Spanish language skills are highly preferred.

All interested candidates, please submit a cover letter and resume via e-mail to [resume@ppbucks.org](mailto:resume@ppbucks.org) or via fax at 215-957-9668.
