

JOB DESCRIPTION

Position Title: Recovery Room Nurse
Department: Health Center Operations
Reports to: Abortion Services Coordinator & Health Center Manager
Location: Warminster
Status: Per Diem/As Needed

Responsibilities & Specific Duties

The Recovery Room Nurse will work in the Health Center Operations department and will report to the Abortion Services Coordinator.

Management of patients in recovery room:

- Admit patients to recovery room.
- Monitor vital signs as per policy during patient stay and recovery.
- Remove IV's as necessary.
- Educate patients on post op instructions.
- Keep physician and nurse anesthetist aware of status of patients in recovery area and discharge patients as per protocol.
- Assume additional responsibilities and perform other duties as may be delegated by the Abortions Services Coordinator and Health Center Manager.

Qualifications/Requirements

- Licensed or certified as a Registered Nurse, Nurse Practitioner, Nurse Midwife, or Physician Assistant in the State of Pennsylvania.
- Training in a recognized program or its equivalent.
- Experience or training in family planning or related health field preferred.
- Demonstrated skills in analyzing and resolving service delivery problems.
- Understanding of and strong personal commitment to PPABC's goals, philosophies, and direction and the department's role in achieving the mission.
- Ability to promote Planned Parenthood's mission and goals in medical offices and contacts, especially regarding women's rights, reproductive rights, political justice (including but not limited to abortion rights) and affordable health care.
- Spanish language skills highly preferred.

All interested candidates, please submit a cover letter and resume via e-mail to resume@ppbucks.org or via fax at 215-957-9668.
