

Pornography: Discussing Sexually Explicit Images

An Interactive Learning Guide for Sexuality and Health Educators

Irene Peters, Ph.D.

This guide is designed to ground educators in the facts, perspectives, and political realities that will assist in leading reasonable and productive discussions about sexually explicit materials with colleagues, parents, young people, and concerned members of the community. The guide is practical, fact-based, sex-positive, tolerant of multiple perspectives, rights-based and focused on youth. Topics covered:

- Pornography: What are my beliefs, values, knowledge?
- Does Pornography Cause Violence? Is Using Pornography Unhealthy?
- Perspectives on Women and Pornography: Does Pornography Degrade and Objectify Women?
- Pornography, Sex Education, and Free Speech Rights
- Young People and Pornography Building Sexually Resilient Youth
- A Model to Promote Reasoned and Respectful Debate
- Final Thoughts and Self-Learning Evaluation
