Double Your Donation on April 2nd!

Help the Martin County Community Foundation spend \$60,000 on April 2! For one day only, MCCF will match—dollar for dollar— the first \$60,000 in donations made to participating nonprofits.

This is the perfect time to make your annual contribution or perhaps an additional contribution to Planned Parenthood of South Florida and the Treasure Coast. **Double** your impact and show Martin County that you believe affordable, quality reproductive health care is a priority in the communities we serve! Get Active on Campus with VOX

VOX ®: Voices for Planned Parenthood is a program to educate and mobilize students and youth in support of reproductive health and rights. Pro-choice students all over South Florida are educating the university community about reproductive health and rights, to translate increased awareness into pro-choice activism on campus, and to serve as a coalition partner to state, national, and international reproductive efforts.
