College Students: VOX News

Birth Control Matters

South Florida VOX Chapters have been hard at work collecting Petitions to Make Birth Control Free! Do you support No-cost birth control? The new health Care reform law should ensure that prescription birth control is available to every woman without co-pays or other out-of-pocket cost to ensure that every woman has access to birth control that works best for her.

Sign the Petition by texting BCMatters to 69866 to add your name. When it asks for school please choose a VOX chapter to support (Florida Atlantic University, Florida International University, or University of Miami). You can also sign the petition online [here](#).

Students in Palm Beach County, please contact: Takeata.Pang@ppsoflo.org or call (561) 472-9942.

Students in Miami, please contact: Mayte.Canino@ppsoflo.org or call (786) 594-4741.
