Planned Parenthood Celebrated Choices in Miami and Palm Beach

Supporter, activists, and staff gathered at the Globe Cafe in Miami and at Boston's on the Beach in Delray Beach to Commemorate the 38th Anniversary of Roe v. Wade. The events were a great opportunity to celebrate how far we have come in the Reproductive Rights movement, but also highlighted the tough road ahead.

Please take a moment to watch the wonderful Message that Congresswoman Debbie Wasserman Schultz prepared for the occasion. Just click on the [video](#) to watch.

Take Care

January is Cervical Health Awareness Month.

In the United States, About 11,000 women are diagnosed with cervical cancer each year and 4,000+ women die in the USA each year from this disease. A woman who does not get the HPV Vaccination and/or her regular Pap test screen when recommended, significantly increases her chances of developing cervical cancer. If you haven't had the HPV Vaccine or your yearly Pap test, make an appointment today at one of our 9 Planned Parenthood Health Centers.
