Grand Opening of New West Palm Beach Health Center

On June 24th Planned Parenthood of South Florida and the Treasure Coast celebrated the grand opening of the new West Palm Beach health center location, which moved across the shopping center on Village Boulevard. The center was filled with volunteers, board members, elected officials and their staff, and other guests, all gathered in support and celebration of the center's impact on the community. There were tours of the new facilities guided by Planned Parenthood staff, a community breakfast, and the ribbon cutting ceremony, giant scissors and all.

Missed the Health Center Opening? No Problem, be on the look out for a virtual tour of the New West Palm Beach Health Center comming soon! Check out our website www.ppsflo.org over the next few days to see it.

2010 Planned Parenthood Lobby Days

From July 6th-9th, volunteers from Miami to Port St. Lucie met with state and federal officials to discuss the importance of sexual health education and reproductive health legislation. Activists met with 20 Legislators and Staff to discuss legislation and policy issues from the 2010 Legislative session and to inform them of the medical and education services that Planned Parenthood offers to the community. None of this would have been possible without the help of our fantastic volunteer lobbyists!

(From L to R) Carolyn Huckshorn, Noelle Biesterfeld, Congressman Ted Deutch, Judith Selzer, Simma Sulzer.
