## Agency Update

- We are pleased to announce that our new Norristown health center is now open! Located at 1221 Powell Street, this larger facility will allow us to better serve the Norristown community. Thanks to the generous financial support of Owning Our Future donors, we will be able to see more patients, expand health services, and provide educational programs. Our phone number and hours remain the same.
- PPSP also has a new look online. Our website's re-design is now live. Check us out at [www.plannedparenthood.org/ppsp](http://www.plannedparenthood.org/ppsp).

### Elections Matter!

July 1 was the anniversary of the ratification of the 26th Amendment, which lowered the voting age to 18. Celebrate by registering to vote today! As a pro-choice activist you know that November's election is a chance to vote for key elected officials who will decide on the future of reproductive freedom in Pennsylvania and around the country. For information on how to register to vote visit [www.ppspvotes.org](http://www.ppspvotes.org) or contact PPSP Advocates at 215-351-5510 or [advocates@ppsp.org](mailto:advocates@ppsp.org).
