Number of Living Children?

**Current Birth Control Method:**
**PPSWO FINANCIAL AND CONFIDENTIALITY POLICIES**

Planned Parenthood will submit your insurance claim for you if we are a provider with your insurance company and you are covered on the date of service, but coverage is not guaranteed. Co-pay, if applicable, is due at the time of service. If your claim is denied, we will reassess your charges according to the sliding fee scale.

Accounts are considered past due after thirty (30) days. Please call to make payment arrangements if you are unable to pay the full amount when you receive a bill.

If your check or credit card transaction is rejected, you will be charged a fee either by Planned Parenthood or by our check processing service.

Remember, if you ask us to bill an insurance company or Medicaid for services, they may be under no obligation to keep your information confidential.

Fees are assessed using a sliding scale based on income and family size. Payment is expected at the time of service. Payment may be made by cash, check or credit card. We also accept Medicaid and private insurance.

All information is confidential. Nothing will be released without your written permission, except as required by law. By signing below, you are authorizing us to release your confidential information, on an as needed basis only, to a physician in a medical emergency, to our legal counsel, our business associates, and insurance or Medicaid for billing purposes.

**Information regarding sliding fee scales, fee assessment or income based payment pertains to grant subsidized services only.**

I understand and agree to the Confidentiality Policy and the Financial Policy.
