UHPP just learned that on June 7, 2008, the American Life League will kick off The Pill Kills campaign protesting the landmark US Supreme Court Decision *Griswold v. Connecticut* granting women the right to privacy and access to birth control.

UHPP's Health Centers in Albany, Troy and Hudson are targeted to be picketed June 7th through June 13th.

How Outrageous - How Extreme!

Anti-Choice picketers traditionally carry large, graphic signs and accost our clients, downtown visitors and neighbors in an effort to build opposition to Planned Parenthood.

Join Pledge-A-Picket and Take a Stand Against These Tactics!

With your help, we can turn the tables on the anti-choice picketers.

If picketers show up, we raise needed funds to support UHPP.

If Pledge-A-Picket dissuades our opposition, then we are picket free!

Just pledge a specific dollar amount per picketer and support UHPP's exceptional reproductive health services, honest education and fearless advocacy.

Use the form below to make your pledge.

You may pledge an amount per picketer or make a one time gift.

Please return the form by Friday, June 6, 2008. Thank you for your vital support!
