

# PLANNED PARENTHOOD GULF COAST

## Healthy Women. Healthy Families.

### Who we are

Planned Parenthood Gulf Coast is a leading non-profit provider of reproductive health care, sexuality education and advocacy for reproductive health care access and rights. Since 1936, we've been working to ensure that all women, men and teens have access to safe, affordable health care and accurate information. With our ten health centers in Texas and two in Louisiana, we help people get the health care and information they need so they can live and love the way they want to.

*That's why Planned Parenthood is a plan you can love with.*
