

**Planned Parenthood Gulf Coast, Inc.**  
Serving Houston & Louisiana

**For nearly 80 years Planned Parenthood Gulf Coast has been providing high quality, affordable health care to women and men across Greater Houston and in Louisiana. Women and men trust Planned Parenthood for a wide range of preventive health services and unbiased health care information. Since 1936, we have worked to ensure that all women, men and young people have access to the health care and information they need and deserve. We believe that when people are truly cared for, they will make their lives, their families - and even the world - better and healthier.**

**Planned Parenthood. Care. No matter what.**
