

PLANNED PARENTHOOD IS

... a fearless voice of progress for reproductive health care and rights of all people

From birth control to cancer screenings and comprehensive sex education to policy initiatives, Planned Parenthood of Southern New England stands for the health of all people - no matter what.

HEALTH CARE

Planned Parenthood is **the region's leading women's health care provider and advocate**. We provide all FDA approved birth control methods (including emergency contraception); Pap tests and breast exams; testing and treatment for STIs; HIV counseling and testing; Pre-Exposure Prophylaxis (PrEP); pregnancy testing and counseling; work and school physical exams, hormone therapy, vaccinations, including HPV and Hepatitis B; and medication and surgical abortion services. Every year, **we deliver care to nearly 70,000 patients, and 90 percent of the services provided are preventive.**

**70,000
PATIENTS**

EDUCATION & TRAINING

Planned Parenthood is the most trusted provider of comprehensive sexual health education and training. We provide education programs in schools and communities and outreach to **nearly 8,100 people** each year including peer education, professional training and parent workshops.

**8,100
PEOPLE**

PUBLIC POLICY & ADVOCACY

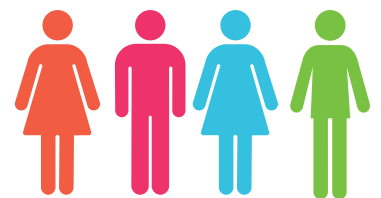

Planned Parenthood works with local, state and federal officials to advocate for comprehensive sexual health education, expanded access to **reproductive health care for all**, and abortion rights. Each year, we make more than **3,700 phone calls** to educate and inform the public.

**3,700
CALLS**

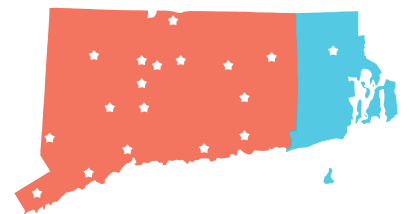

WE'VE GOT YOU COVERED

Planned Parenthood **takes all kinds of insurance** from all kinds of providers. We also offer a sliding fee scale based on one's income. Insured or uninsured, we've got you covered. Planned Parenthood has been a source of **expert health care and information for 100 years** and is not going anywhere.

REPRODUCTIVE HEALTH CARE - IT'S WHAT WE DO.

Planned Parenthood of Southern New England (PPSNE) has **18 health centers in Connecticut and Rhode Island** and provides convenient and high-quality care to nearly **70,000 patients** each year. We offer online, walk-in, same day and weekend appointments. PPSNE serves all people no matter who they are or where they live - regardless of their ability to pay.

The mission of Planned Parenthood of Southern New England is to protect the fundamental right of all individuals to manage their own fertility and sexual health, and to ensure access to the services, education and information to realize that right.
