PPSO Education Fee for Service Structure

Overview

Planned Parenthood of Southwestern Oregon (PPSO) is dedicated to helping young people develop healthy attitudes and behaviors that serve them well throughout their lives. For over 55 years, we have been committed to providing positive, comprehensive sexuality education for both youth and adults, and training for those who work with and care about young people.

As the largest and most respected providers of sexuality education in Oregon, our programs reach more than 8,000 youth and adults each year. We provide workshops and trainings for parents, educators, and others who work with families and youth, with the goal of expanding the network of supportive adults who are prepared and available to teach young people about their sexual health.

Equity and Access

PPSO is dedicated to ensuring access to inclusive, accurate, and empowering sexuality education. For this reason, we utilize a sliding scale fee for service model. Our model is based on the actual costs associated with providing services to the community including operating costs, wages, mileage, and materials. Please refer to the chart below to determine how much your program will cost.

Type of Program	Tier 1 Total Operating Budget less than \$1 million	Tier 2 Total Operating Budget between \$1 and \$3 million	Tier 3 Total Operating Budget greater than \$3 million
Youth Programs	\$80/hour	\$115/hour	\$150/hour
College and University Programs	\$180/hour	\$215/hour	\$250/hour
Professional Development Training	\$180/hour	\$215/hour	\$250/hour

We do not want our costs to be a barrier for accessing comprehensive sexuality education. If you'd like to request a scholarship for your program, please fill out our [Scholarship Request Form](#).
