Part XIII Supplemental Information *(continued)*

Planned Parenthood of Illinois is a tax-exempt organization as defined by Section 501(c)(3) of the Internal Revenue Code (IRC) and has been classified as an organization that is not a private foundation under Section 509(a)(1). Contributions to the Agency qualify for the charitable contribution deduction under Section 170(b)(1)(A).

PPIL is the sole member of several limited liability companies (LLC) whose sole purposes are to construct or renovate health centers in Illinois. These LLCs have been included in PPIL in these financial statements. The organization's endowments consist of funds established to support a variety of programs conducted by the organization.

The accounting guidance on income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded and disclosed in the consolidated financial statements. The Agency may recognize the tax benefit from an uncertain tax position only if it is more-likely-than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. Management has determined that the Agency has no material uncertain tax positions that would require disclosure or adjustment.

The Agency's federal exempt organization income tax returns for fiscal years ended June 30, 2018, 2019 and 2020 are subject to examination by the Internal Revenue Service (IRS), generally for three years after they were filed.
