

Resources for Gender Affirming Care

This Resource List is for informational purpose only, not advice or guarantee of outcome and is provided to assist patients in finding additional care. We welcome feedback on this guide and hope that as you come across providers who are friendly and accessible that you will share that information with us so we can add it to this community guide. This is a dynamic document, always being amended and changed. Please also let us know if you find out of date information so that we can correct it as needed.
