# party with a purpose

Thank you for your interest in hosting a Planned Parenthood house party – a Party with a Purpose! Hosting a house party is a great way to spread the word about, and financially support, the work of Planned Parenthood of Greater Ohio (PPGOH).

Hosting a Party with Purpose, while fun, is serious business. Your event will help Planned Parenthood of Greater Ohio ensure that our nearly 62,000 patients are able to access reproductive health care at their preferred providers and neighborhood health centers—no matter what.

Your event will provide birth control access, life-saving cancer screenings, sexually transmitted infection education and testing, and well-woman visits that our patients depend on PPGOH health centers to provide.

**A house party is a fundraising tool.** PPGOH can help you define your goals for the event, and build a target guest list of people you think will have an interest and the ability to support Planned Parenthood. As the host, you'll provide the space, food and beverages for your event, and send the invitations.

### PPGOH can support you by:

- Producing print or digital invitations;
- Tracking your donations online;
- Providing promotional giveaways, informational materials, talking points or videos, or a representative to speak on behalf of PPGOH if one is available.

This house party toolkit provides guidelines to make your party a success. Great parties reflect their hosts' creativity, enthusiasm, and commitment to the work of Planned Parenthood!

The donor engagement staff at Planned Parenthood of Greater Ohio can help guide you through your house party. Reach out to us today so we can begin supporting your Party with a Purpose!

Thank you for standing with Planned Parenthood,

# getting started

Once you've decided to host a house party, begin by contacting PPGOH's donor engagement staff at **GetInvolved@ppoh.org** or **614-358-8729**. A staff member will be in touch with you throughout the process to provide support and materials. Things to determine in advance are:

- The date of your event;
- The location (i.e. your home or another venue);
- Approximate number of guests; and
- How much in contributions you hope to raise.

# 03

# setting goals

## Setting Goals

Set specific goals in order to measure the success of your party. Be ambitious! The higher you set your goals, the more successful you will be at raising funds and awareness of the needs of Planned Parenthood's patients!

### Sample Goals

- Get at least 10-40 people to attend.
- Set a specific dollar amount goal.
- Ask everyone to "donate their age" in a one-time donation or as a recurring, monthly donation.
- Ask everyone to become a recurring, monthly (sustainer) donor at any level.
- Get everyone in attendance to sign a contact list or pledge to answer a call to action.
- Get one new person to agree to host their own house party.

Feel free to choose goals that you are most comfortable with.

### Remember:

No contribution is too small to make your party a success.

# 04

# structure your party

We encourage you to make your event a reflection of the things you value about Planned Parenthood and that will resonate with your guests. Make your event as traditional or as outrageous as you dare!

- **Appoint a co-host.** You might consider asking a friend or two to help coordinate the party and invite their own friends.
- **Presentation materials.** PPGOH can send a representative to speak at your event, if one is available on your selected date and time. We can also provide you with talking points about PPGOH and links to inspiring videos about the patients we serve.
- **Menu.** Potluck? BBQ? Hors d'oeuvres? Catered sit-down dinner? How much do you plan to spend on food? Will your guests prepare the food with you?
- **Asking for support.** This is the big moment! How will you encourage your guests to support PPGOH? Will you have a silent auction? Will you charge tickets at the door or in advance via an invitation? Will you ask for donations in lieu of other gifts? Consider asking your guests to become sustaining (monthly) donors at a level that is most comfortable to them- for example, \$50 per month amounts to less than your daily cup of coffee!

We will provide the necessary collection tools to make this portion of your event easy for you. Party theme. We have a list of possibilities. **Keep reading!**

## 4.1 Types of House Parties

### Ideas for types of house parties:

- **Share your birthday.** Consider hosting your next birthday as a benefit. In lieu of gifts, ask your guests to make a donation to Planned Parenthood!
- **Activity groups.** Do you participate in a cycling, dining, knitting, or walking group? How about a book club? Why not turn your intimate club into an opportunity to engage with your friends on the issues that matter to you? Read a book that involves reproductive rights (ask us for recommendations), or lead a discussion about the issues facing women's reproductive health care and rights? Do you belong to an alumni association, corporate group, or neighborhood association? Incorporate Planned Parenthood into your next meeting and increase awareness!
- **Mother/Daughter events.** Host a tea, brunch, or 'sit-in' where you can share what Planned Parenthood has inspired you to do in your life and why you are involved with Planned Parenthood. Come up with ways to get involved together!

### Consider hosting a house party based on a theme occurring during a certain month:

- **January:** Roe vs. Wade anniversary; Cervical Cancer Awareness Month

## 4.2 Recommendations and Tips

### We recommend the following:

- Set a fundraising goal for your event. This way, you can encourage your guests to give as you get closer to the goal. Think of a reasonable goal that will be a stretch, but not impossible to achieve.
- Invite your guests approximately one month before your event.
- Allow us to help you track donations and RSVPs online, so that people who cannot make it may also contribute.
- Advertise your event on social media.
- Send at least one follow up email as the date approaches.
- Include a date by which you would like RSVPs.
- Create name tags for guests, especially if many people haven't met before.
- Send a post-event thank you email from your personal email address, including opportunities to engage with Planned Parenthood of Greater Ohio. Please include our links to:
- Donate to Planned Parenthood of Greater Ohio at [supportppgoh.com](http://supportppgoh.com).

### Tips and tricks:

- **Donate to your own fundraising efforts.** When your friends and family visit your page, they'll see that you donated to support women's health and rights before asking them to chip in too.
- **Talk about your fundraising efforts on social media.** Reach your friends and family where they hang out online by posting progress updates and links to your fundraising page on your social media accounts a few times per week.
- **Double donations through company matching gifts.** When your friends and family donate, remind them to see if their employers have matching gift programs, and encourage them to fill out the necessary paperwork (usually with someone in HR).
- **Ask your favorite local business for a donation.** Local business love their customers and rely on your support, so why not ask them to return the favor and give?
- **Personalize your page and tell your story.** Inspire your friends and family to give by sharing the reasons why you support Planned Parenthood
