Gatherings with non-PPLM attendees must be held outdoors on the grounds of a partner organization.

Group size can’t be larger than 20.

All participants including facilitators must wear a mask unless they meet one of the state's criteria for mask use exemption.

Attendees must be separated by six feet.

PPLM staff must complete the symptom check survey prior to the off-site event.

Partner organization / external participants must confirm that they have completed a similar screening.

If they don’t have one, PPLM staff should provide them with PPLM’s symptom check survey.

Any food brought or provided must be individually wrapped.
