Please DO NOT call PPMI health centers

Statement from Planned Parenthood of Michigan regarding the Michigan Court of Appeals Ruling:

The injunction barring enforcement of Michigan’s 1931 criminal abortion ban remains in effect and applies to all Michigan county prosecutors. Under Michigan court rule [MCR 7.215\(F\)\(1\)\(a\)](#), “the Court of Appeals judgment is effective after the expiration of the time for filing an application for leave to appeal to the Supreme Court, or, if such an application is filed, after the disposition of the case by the Supreme Court.” This means that the [Michigan Court of Appeals ruling](#) cannot take effect during the 21 day appeal window.

Planned Parenthood of Michigan will continue to evaluate our legal options and remains committed to protecting abortion access in Michigan.

Planned Parenthood of Michigan will continue to provide abortion services in accordance with the law. PPMI patients can keep their appointments and our doors remain open.

###

Planned Parenthood offers affordable reproductive health care for all people through medical services, education and advocacy and is the nation’s leading sexual and reproductive health care advocate and provider. Planned Parenthood of Michigan operates health centers across the state, providing medical services and sexuality education for nearly 60,000 Michiganders each year.
