

2019 Planned Parenthood® Act. No matter what.

LEGISLATIVE WINS

Alaska

- Our activists helped lead strong coalition work opposing budget cuts across the state, with more than 200 of our activists rallying to Save the State.
- Turned supporters out to protest abortion bans introduced across the country in Anchorage, Juneau and Fairbanks.

Hawai'i

- Worked to pass legislation which bans employers from discriminating against people based on their reproductive health decisions.
- Supported efforts to prohibit conversion therapy relating to gender identity, which was signed into law by the governor.

Idaho

- Moved the 12 Months of Birth Control bill farther in the legislature than in any previous year.
- Held an Add the Words Lobby Day, annual Lobby Day, and Teen Lobby Day with more than 115 supporters in attendance.

Washington

- Helped pass the Reproductive Health Access for All Act that included anti-discrimination protections for LGBTQ individuals.
- Championed insurance confidentiality legislation to protect privacy in health care for individuals on their parents' or partners' insurance plans.
- Moved forward in the process of securing legislation to mandate age-appropriate comprehensive sexual health education in all public schools.

5,136 votes

LEGISLATIVE WINS

Indiana

- For the first time, Planned Parenthood and coalition partners visibly championed pro-reproductive rights legislation.

Kentucky

- Championed the Pregnant Worker's Act and fought alongside coalition partners to pass this bill that protects workers from discrimination based on pregnancy, childbirth, and related medical conditions.
- Planned Parenthood volunteers lobbied for abortion access at the Capitol every Thursday throughout legislative session.

*Program was run out of the Planned Parenthood Kentucky Action PAC.
