Form 990, Part III, Line 4a, Program Service Accomplishments:

(www.guttmacher.org/broader-benefits/), we estimate that the work of our health centers prevented approximately 7,370 unintended pregnancies, resulting in net public cost savings of \$36 million in 2019.

-Serving a predominantly low-income, underinsured, and young patient base. In 2019, 65% of our patients were low-income (at or below 200% of the federal poverty guideline, or \$24,980 for one person), 37% were living below the poverty line (\$12,490 for one person), 19% were uninsured/self-pay, and 34% had coverage through Medicaid or another public program. Our patient base was also overwhelmingly female (87%) and young, with 67% under the age of 30 (15% teens and 52% in their twenties).

-Ensuring access for uninsured/underinsured patients by delivering over \$8 million in free/discounted health care through our sliding fee scale program.

-Providing services as individual patient need indicated such as: 88,916 STD tests, 11,797 pregnancy tests, 5,822 breast exams, 5,700 insertions of long-acting reversible contraceptives (LARC), and 4,915 Pap tests.

-Continuing to enhance care to better help patients with critical needs and improve their health and overall welfare, including through further staff training on providing trauma-informed care; delivering high-quality, evidence-based contraceptive counseling; conducting psychosocial screenings and providing referrals for intimate partner violence, depression, and substance use (for patients who screen

-Achieving a very high level of patient satisfaction. Highlights of 2019 survey results include that: patients felt the services offered met their needs (scoring 96.3 out of 100 points), they were treated with compassion and respect (97.2/100), and our clinicians spoke using clear language (97.4/100). As a result, patients were extremely likely to recommend PPNNE to others (96.8/100).

-Advancing special proactive initiatives (as funding allows) to improve public health, address health inequities, and reduce unintended pregnancy, with downstream impacts on individuals, families, and communities. Examples of this work in 2019 included providing trainings on family planning needs/referrals, contraceptive counseling, and other SRH topics to community health and social service professionals; expanding partnerships to reach underserved populations; and participating in collaborative health reform efforts.

Form 990, Part III, Line 4b, Program Service Accomplishments:

2019, we supported peer educators from 6 high schools (5 in VT and 1 in NH), who organized dozens of educational events and conducted thousands of conversations with peers who had sexual health questions - providing quality information and helping them identify healthy next steps, such

as talking to a parent or making a health care appointment. We also conducted recruitment for our first peer education program in Maine, which launched in early 2020.

-Delivering trainings on youth sexual health and providing resources to youth-serving community professionals.

-Expanding our work with schools to improve the quality and inclusiveness of their sex education, with a focus on helping middle schools implement the evidence-based sexual health curriculum called "Get Real."

-Delivering sexual health workshops for parents.

-Organizing PPNNE's first-ever Youth Sex Education Summit, held in Burlington, VT. Our peer educators played major roles in developing and running the Summit, which brought together over 80 people (mostly youth) to participate in workshops and learn how to advocate for quality sex education in their schools and communities. Based on this successful experience, we aim to start organizing annual summits in each of our states.

-Supporting campus organizing at colleges and working with volunteer action teams across our three states to deepen and grow grassroots organizing capacity.

-Continuing to develop and expand the use of our trailblazing social change model that uses persuasion science and "deep canvassing" to increase support for reproductive health and rights. This included ramping up our intensive deep canvassing training program for partners from around the country.

Form 990, Part III, Line 4d, Other Program Services:

PPNNE's communications and marketing program works to increase awareness of PPNNE services, our sexual health expertise, and our accessible, affordable, and nonjudgmental care - leading to more vulnerable people receiving services. Our efforts include targeted advertising that resonates with diverse audiences and young people, with themes such as promoting annual exams/preventive care, LGBTQ services, Get-Yourself-Tested/STDs & HIV, free access to family planning services (through certain state programs for low-income people), birth control options, and more. Indicating the effectiveness of this outreach, last year our health centers brought in over 22,000 patients were new or hadn't been seen in the past three years, primarily young people and those with low incomes.
