Before you give your consent, be sure you understand the information given below. If you have any questions, we will be happy to talk about them with you. You may ask for a copy of this form.

I understand that I must tell the staff if language interpreter services are necessary to my understanding of the written or spoken information given during my health care visits. I understand that free interpretive services may not be immediately available and Planned Parenthood may need to refer me to another health care facility to provide the services necessary for my care.

I understand that the information I will provide is true, accurate, and complete and that my healthcare choices will depend on that information.

I will be given information about the test(s), treatment(s), procedure(s), and contraceptive method(s) to be provided, including the benefits, risks, possible problems/complications, and alternate choices. I understand that I should ask questions about anything I do not understand. I understand that a clinician is available to answer any questions I may have.

No guarantee has been given to me as to the results that may be obtained from any services I receive. I know that it is my choice whether or not to have services. I know that at any time, I can change my mind about receiving medical services at Planned Parenthood.

I understand that if tests for certain sexually transmitted infections are positive, reporting of positive results to public health agencies is required by law.

I understand that if I have an abnormal test result, the verbal or written communication I receive will include the following: an explanation and meaning of the abnormal finding and the possible consequences of not receiving additional care and/or treatment if needed.

I will be given referrals for further diagnosis or treatment if necessary. I understand that if referral is needed, I will assume responsibility for obtaining and paying for this care. I will be told how to get care in case of an emergency.

I understand that some applicable services (those not requiring a physical exam) may be delivered via telemedicine and, if so, that I will not be in the physical presence of a clinician. Should this be the case, I understand that I have the right to request that my appointment be rescheduled to a time and place where a clinician will be in my physical presence to provide services. Should I choose to receive care via telemedicine, I understand that I am also agreeing to receive messages from Planned Parenthood through privacy-protected secure messages within the telemedicine app or website. I understand I can enable notifications in the telemedicine app and/or website account settings to alert me when I have a message. The notifications do not contain any protected health information.

I understand that confidentiality will be maintained as described in Planned Parenthood of Greater Washington and North Idaho's Notice of Health Information Privacy Practices. I consent to the use and disclosure of my health information as described in Notice of Health Information Privacy Practices.
“Please note that Planned Parenthood of Greater Washington and North Idaho is a teaching institution, and that persons in training, under strict supervision, may be involved in some aspects of your care.”

I hereby request that a person authorized by Planned Parenthood provide appropriate evaluation, testing, and treatment (including a birth control drug or device, if I request it).

I hereby acknowledge receipt of Planned Parenthood of Greater Washington and North Idaho’s notice of health information privacy practices.
