

Education & Training Department Fee Schedule 2019-2020

Types of Services:

Planned Parenthood Keystone (PPKEY) provides two basic types of educational services: Education and Professional Training.

- “Education” is direct educational services to a specific population.
- “Professional Training” is education and training for adult staff that serve a specific population.
- “Specially Tailored Workshops” are workshops specifically designed for your organization or need. They require more research and planning by our education staff than our standard topics.

2019-2020 Fee Schedule:

A. Education: **\$75** per hour plus mileage in excess of 50 miles round trip

B. Professional Training: **\$125** per hour plus expenses*

**Expenses can include: initial consultation, materials, travel expenses including mileage and lodging*

C. Specially Tailored Workshops: For agencies or corporations that employ 10 or more staff. Price to be determined on basis of time, resource, and expenditure assessment.
Typical fee: **\$500 and up.**

Some Education and Training programs may be supplemented by grants. We will also negotiate based on ability to pay, need and special circumstances.

To discuss any fee concerns or to set up a PPKEY education or training program, please contact Amber Brown, Director of Training & Community Outreach & Education

Planned Parenthood Keystone's (PPKeystone) Education & Training Department offers a wide variety of professional trainings on human sexuality topics aimed at increasing knowledge and building comfort. Below you will find information about some of our most popular trainings. Training lengths range from one hour to a full day, and can be tailored to meet the needs of your school or organization. If you are interested in a topic that you don't see below, please contact us at 610.376.0137 or e-mail us at education@ppkeystone.org We are happy to work with you to design a workshop that fits your organization's needs.

Healthy Sexuality

Sexuality education often focuses on the negatives, the "what-not-to-dos." Healthy sexuality focuses on the positive, helping youth understand what goes into being a sexually healthy adult. Let PPKey help you shift this mindset! Trainings on this topic can include, but are not limited to:

- Healthy Sexuality 101
- Communicating and Teaching about Healthy Sexuality

Sexual Orientation

LGBTQ+: So many letters, so little time! Being inclusive and understanding of LGBTQ+ issues is essential for everyone who works with young people. PPKey can help keep you up-to date so you can keep your spaces safe! Trainings on this topic can include, but are not limited to:

- Sexual Orientation 101
- LGBTQA Inclusivity
- Supporting LGBTQA+ Youth

Gender Identity/Transgender Issues

Transgender youth in schools are coming out younger now than ever before. Understanding and being inclusive of Trans youth can go a long way to help keep schools safe. Trainings on this topic can include, but are not limited to:

- Trans* 101
- Transgender Inclusivity
- Supporting Transgender Youth

Talking about Sex

While sexual imagery is everywhere, open conversations about sex are not. It's not surprising that many professionals who work with youth feel uncomfortable when sexual health topics do come up. Learning the best practices for how to talk about sex is the first step to being more comfortable. Trainings on this topic can include, but are not limited to:

- Let's Talk! Increasing comfort when Addressing Sexual Health
- How to Answer Sexuality Questions

Sexuality

Sexuality is about much more than sex. Sexuality impacts us across the lifespan and encompasses many facets of life. Understanding it all can seem overwhelming at times, but we can help! Trainings on this topic can include, but are not limited to:

- Sexuality 101
- Understanding Adolescent Sexual Development
- Sexuality Throughout the Lifespan
- Body Image and Sexuality
- Older Adult Sexuality

Booster Sessions

Keeping up-to-date on the most current sexuality info is a full-time job. Let us do the work for you! Booster sessions can include, but are not limited to:

- Birth Control Booster
- STI Booster
- Planned Parenthood Booster
