PLANNED PARENTHOOD OF GREATER TEXAS

The minor will be provided a fact sheet by PPGT that lists risks, benefits and alternatives to the birth control method or other medical service. They will have a chance to review the fact sheet and will be provided an opportunity to ask questions regarding the recommended birth control method or other medical services.

No guarantee has been given to me as to the results that may be obtained from any medical services the minor may receive from PPGT. I know that it is my choice whether or not to consent for the minor's services. I know that at any time, I can change my mind about the minor receiving birth control or medical services at PPGT.

I understand that if tests for certain sexually transmitted infections are positive, reporting of positive results to public health agencies is required by law, and PPGT will refer the positive result.

The minor may be given referrals for further diagnosis or treatment, if necessary. I understand that if referral is needed, it is my responsibility to obtain and pay for this medical care. The minor will be told how to get care in case of an emergency.

I hereby request that PPGT provide appropriate evaluation, testing and treatment (including a birth control drug or device, if the minor requests it).

As the client's legal guardian, I give permission for the minor client to access and/or obtain copies of his/her health information without my consent and as described in the PPGT Notice of Privacy Practices. The minor will receive a copy of the Notice of Privacy Practices.

Please note that Planned Parenthood is a teaching institution, and that persons in training, under strict supervision, may be involved in some aspects of the minor's care.

This consent begins on the date below and remains in effect unless revoked in writing. Any revocation of this consent is not effective with respect to birth control or medical services already provided, or any actions taken by PPGT in reliance on this consent.

I am aware that my minor's confidentiality may be broken if PPGT cannot contact him/her if an abnormal test result is received or a life threatening condition is suspected or detected.

I declare under penalty of perjury that the above information is true and correct.
