

If You Have Booked A Phone Call

- Pennsylvania law* requires that you speak with a doctor before having an abortion. Our patients meet this requirement by speaking with our doctor on a scheduled phone call.

THE DOCTOR WILL NOT CALL YOU; YOU CALL THE DOCTOR.

- **To complete the call:** Dial 877-465-1205 at the start time. Dialing 5 minutes late cancels the call. The call lasts about 45-60 minutes. First you'll listen to a speech for about 20 minutes, then you'll be on hold while the doctor checks in with each patient on the line one by one. Wait until the doctor comes back on the line with you to privately confirm your appointment information. Do not hang up until after you talk with the doctor one-on-one, otherwise the call will not be completed and your appointment will be canceled.

1-Step Surgical Procedure with Conscious Sedation

About the 1-Step Surgical Procedure

- You'll be here about 3-5 hours. You will have an ultrasound, lab work, an education session and birth control consultation before seeing the doctor.
- The procedure takes about 5-10 minutes. You will receive a local numbing injection in the cervix and IV medication in the arm to relax and help with discomfort. Afterwards, you will spend a short period in the recovery room.

Preparing for your appointment

- You must have someone with you who can be in the building all day with you and get you safely home.
- Children and infants are not allowed in the facility. Make arrangements for childcare if necessary.
- Give yourself time to find parking and check in.
- Wear comfortable clothing, layers and underwear that can support a pad.
- We recommend that you eat before your appointment but do not bring food into the facility.
- Ignore protestors; they cannot tell what you're here for.
- Do not have anything on your index fingers such as acrylic nails, nail polish or rings
- Do not have anything in your mouth such as a lip or tongue piercing or a retainer.

Bring ID

Financial Information

- The cost of your procedure is \$475.00-\$580.00. Payment is due in full on the day of the appointment in cash, credit card, or a money order. No checks. If you are using someone else's credit card, that person must be present at your appointment with ID matching the name on the card. Payment is due on arrival.
