

Planned Parenthood Gulf Coast

## 2022 LEGISLATIVE AGENDA ACCESS & JUSTICE for ALL

### SUPPORT EQUITABLE ACCESS TO HEALTH CARE

Planned Parenthood is one of the nation's leading providers of high-quality, affordable healthcare for women, men, transgender, non-binary and gender nonconforming patients. It is also the nation's largest provider of sex education. Planned Parenthood believes that all Louisianans should have access to comprehensive reproductive health care, regardless of race or ethnicity, immigration status, gender identity, sexual orientation, income, employer or zip code.

- Protect Louisianans access to Medicaid at their provider of choice
- Protect access to comprehensive sexual and reproductive health care for all Louisianans
- Defend access to abortion

### SUPPORT CROSS-MOVEMENT EFFORTS THAT ARE INTERSECTIONAL, ADDRESS RACIAL EQUITY AND JUSTICE FOR ALL PEOPLE TO LIVE WHOLE LIVES

Planned Parenthood patients and supporters often face enormous hurdles accessing health care. We understand that our fights and movements are connected – if you don't feel safe and supported in your community, then you can't access the health care you need. We stand with our movement partners, our communities and all Louisianans in their ability to live full, healthy lives – no matter what.

- Protect and defend voting rights for all
- Support the Crown Act, which aims to protect Black people from discrimination of natural hairstyles
- Defend against any legislation that denies transgender individuals their fundamental human rights
- Support efforts to address gender disparities and health inequities
