A DONATION TO PPNYC!

A donation in your loved one's honor ensures that all people who walk through our doors can access the full range of sexual and reproductive health care.

UNIVERSAL STANDARD

We were thrilled to be the beneficiary of Universal Standard's first-ever sample sale which raised over \$131,000 to provide care to all patients who walk through our doors. Universal Standard celebrates bodies of all sizes and offers their clothing in sizes 00-40. What's not to love?!

CIRQUE COLORS

Wear your support for PPNYC on your nails with this beautiful shade of pink that changes colors based on your mood! 100% of net proceeds benefit PPNYC.

A Woman's Place is Everywhere

BULLETIN

This fun feminist shop donates 10% of their proceeds to PPNYC.

MEG SHOP

Meg Shop has been a champion for PPNYC, from raising critical funds to support our work through their Feminist and Tough Titties collections to even donating a pop-up space in Brooklyn this year to help us expand our reach and offer exciting programming.

BIRD + STONE

To date Bird + Stone has raised enough money to subsidize care for our patients who wouldn't otherwise be able to afford it for over two months. This beautiful cuff not only has an inspiring message, but also directly connects our patients to care.

HATCH

We love our neighbors at Hatch, a maternity and beyond store! Hatch has hosted a number of events to support PPNYC, and created this amazing sweatshirt for all the Pops in your life, with 100% of proceeds going to sexual and reproductive health care.

CATBIRD

Brooklyn-based jewelry store Catbird has been an incredible supporter of PPNYC for years now, and we were honored when they launched their Leith Clark x Catbird collection with a generous donation to PPNYC.

PHLUID PROJECT

Phluid Project, the world's first gender-free store, created a line of tees and totes to support PPNYC's mission to provide care to all who walk through our doors. To launch this collection, we collaborated on a panel to highlight our LGBTQI services!

PARADE

Despite launching just a few months ago, Parade has already donated over \$12,600 to PPNYC--more than a day's worth of care for our patients. Your new favorite underwear just got even better—Parade has pledged to donate 1% of their profits!

ARAKS

Lingerie brand Araks has collaborated with a lineup of incredible artists including Miranda July and Maggie Gyllenhaal to create a limited edition set of prints to benefit PPNYC.

SOCIAL GOODS

Social Goods curates a marketplace of products that support critical causes, and we are thrilled to be one of their beneficiaries. You can see which products benefit PPNYC by selecting us from the nonprofit drop down menu. We particularly love this shirt!
