6 Ways to Help Texans Today.

Thank you for your support for Planned Parenthood of Greater Texas and our patients during these unprecedented times. The Texas Legislature and Governor Greg Abbott have implemented one of the most extreme abortion bans in the nation (Senate Bill 8). We can't do this work alone. Here are eight ways to help.

1. Give now at **ppgreatertx.org/donate**. Your donation will help us as we continue to seek relief in court and do everything we can to support our patients, including travel assistance and emergency contraception offered to patients.
2. Be a digital advocate. Follow **@ppgreatertx** and **@pptxvotes** on Facebook, Instagram and Twitter to get breaking news, and share rapid response opportunities with your friends, family and followers. Don't forget to tag your posts with **#BansOffOurBodies**.
3. Go to **ppgreatertx.org/volunteer** to join our **Action Network** of volunteers and advocates.
4. Share your story. Abortion is deeply stigmatized in states like Texas. Whether you're currently impacted by the new abortion restrictions or can share how important it was that you were able to safely access an abortion, visit **ppgreatertx.org/shareyourstory** to submit your story online.
5. Many **businesses are visibly voicing their support** for abortion access in Texas. Join them if you are a business owner, support them, and thank them for standing with us: Benefit cosmetics, Lyft, Uber, Goop, Saie Beauty, Bumble, Revolution Art Shop, Match, Applause Shop, DJ Mel, Eve Floral Company, and more.
6. **Thank musicians, actors, and artists** like Billie Eilish, Band of Horses, Phoebe Bridgers, Finneas, St. Vincent, Megan Thee Stallion, Jennifer Lawrence and more for speaking out against this abortion ban.

Planned Parenthood of Greater Texas will continue to stand strong because you stand with us and our patients. Thank you for your support!
