

"Planned Parenthood has greatly benefited my life as a young adult by offering me affordable STI (Sexually transmitted infection) testing and treatment, and non-judgmental information. This keeps me and my partner healthy. The services offered at Planned Parenthood are invaluable and important for any community. I am grateful for this place and the work being done here. The staff has always been kind and helpful."

— PPGT patient

# GYT: Get Yourself Tested

# 25
