

THE NORTHERN NEVADA MARTIN LUTHER KING, JR. HOLIDAY COMMITTEE
TOGETHER WITH THE NEVADA INTERFAITH ASSOCIATION PRESENT

THE ANNUAL COMMUNITY EVENTS
COMMEMORATING THE LIFE AND WORK OF
REV. DR. MARTIN LUTHER KING, JR.

“We must rapidly begin the shift
from a "thing-oriented" society
to a "person-oriented" society.
When machines and computers,
profit motives and property rights
are considered more
important than people,
the giant triplets of
racism, materialism,
and militarism
are incapable of
being conquered.”

—Martin Luther King, Jr.
